TIRANA ART WEEKEND

an initiative of
Albanian Visual Arts Network

The Albanian Visual Arts Network (AVAN) presents **Tirana Art Weekend**
Friday, November 29th – Sunday, December 1st, 2024
11:00-20:00

Tirana Art Weekend is the first public event of AVAN, bringing together major actors from the independent art scene, with a roster of exhibition spaces, cultural organizations, and local artistic collectives under a shared program.

The main center of Tirana Art Weekend is the headquarters of the **Institute for the Integration of Former Political Victims**. This location will accommodate initiatives that do not have a permanent physical location or which operate in other cities across Albania; while Tirana's own galleries and project spaces will open their doors in a coordinated progression.
